

TAKE NOTICE that the Council of the Corporation of the Township of Zorra will hold a public meeting on the 3rd day of April, 2019, at 10:00 a.m., in the Council Chambers (274620 27th Line) in order to consider a proposed Building Permit Fee By-law under Section 7 of the *Building Code Act*.

PURPOSE AND EFFECT that the Township of Zorra is proposing to amend the Building By-law following the termination of an agreement under Subsection 6.2 of the *Building Code Act* relative to enforcement of private sewage systems. To accommodate this transfer of authority, new permit fees must be set by by-law under Section 7 of the *Building Code Act*. The effect will be to create a fee structure and to add it to the Township's Building By-law. The fee structure will remain the same as the fees charged under the previous Public Health Septic Agreement.

Information will be provided at the meeting on the estimated costs of enforcing private sewage disposal systems under the Building Code in accordance with the *Building Code Act*, and the amount of the proposed fee(s) and the rationale for imposing fees for permits and related services to administering and enforcement of those provisions.

In addition to the proposed fee changes to the by-law, other housekeeping updates and amendments to the by-law are also being proposed to be made at that time.

ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed fees.

ADDITIONAL INFORMATION related to the proposed fees is available during regular office hours at the Township Office.

Dated at the Township of Zorra this 12th day of March, 2019.
