

We are a formal Committee of Council approved by the Township of Zorra.

Our mission is to bring a dog park to Embro that provides a safe and enjoyable space for the 220 plus dogs that reside in the village. A place to socialize, exercise, and play off leash, while also benefiting the community by offering a place for people to connect with each other and their pets. With your financial commitment we can make this dog park a reality.

Why a Dog Park?

Based on Oxford County's 2025 household & population estimates, Embro has 385 households & a population of 1081. All very interesting, but did you know that there are incredibly... over 220 dogs in our village? How do we know this? Well, we did an actual head count!

Community Health

Having a safe, dedicated, fenced environment for our dogs to paly off leash has an impact not just on the health of our dogs but also that of our community! It becomes a place where people from all ages and walks of life can meet and socialize as their dogs interact and run in a secure enclosed area. Having an area that is devoted to the dogs in our community also takes the impact of existing baseball diamonds, parks and children's play areas which are currently used to exercise our dogs.

Volunteer

We will be hosting events and initiatives to raise funds for this project. If you are interested in volunteering your time for one of our upcoming fundraisers, please contact Diane Normand at dnormand007@gmail.com.

Stay Updated!

Follow the Embro Dog Park Facebook page to keep up to date on events and status of the project. You can also keep up to date here: <https://www.zorra.ca/our-township/committees/>.
